

GETTING THE MOST OUT OF UBACK

EMBED LOGOS ON YOUR WEBSITE

The key for you to use uBack is to make it easier and more convenient for your donors to support the important work you do – anytime, anywhere. Let your users know they can give with just a few taps on their mobile screen.

uBack logos and buttons are visual links prompting donors to take action. Place them prominently on your website, in your emails and newsletters, and on your blog. With these buttons, you offer donors a secure and unique mobile donation experience through your checkout process.

Embed the “Find us on uBack” logo on your website and in key promotional materials. All you have to do is select the logo you would like, cut/paste the HTML below the logo into your own web page.

Visit this link on our website for more information:
